WELCOME MESSAGE FROM THE ORGANISING COMMITTEE

On behalf of the Organising Committee, it is our great pleasure to invite you to the 9th Annual Meeting of Endocrinology, Diabetes & Metabolism Hong Kong (EDM HK), to be held on 24–25 October 2026 (Saturday and Sunday) at the Hong Kong Convention and Exhibition Centre.

Jointly organised by the Department of Medicine, The University of Hong Kong, the KK Leung Diabetes Centre, and the Osteoporosis Centre of Queen Mary Hospital, EDM HK has established itself as a premier platform for advancing knowledge and collaboration in the field of endocrinology.

This year's theme, *"Endo-Level-Up: Advancing Therapies, Elevating Care"*, reflects our commitment to exploring the latest breakthroughs and elevating standards of patient care. The programme will feature keynote lectures by distinguished local and international experts, covering cutting-edge developments in diabetes and its complications, obesity, thyroid disorders, bone and mineral metabolism, and lipid disorders.

We warmly welcome practising clinicians, researchers, and healthcare professionals to join us in this exciting exchange of expertise and ideas. Together, let us continue to push the boundaries of endocrine science and improve patient health in Hong Kong and beyond.

Prof. David TW Lui

Chairperson
